

Capital Whales Disclaimer

You are responsible for any action, or decision taken by yourself in regards to investing, trading, or any investment decisions. This is NOT an investment advisory community. Any content and information that is posted by Capital Whales should be considered informational and for entertainment purposes only. These are not recommendations to buy, hold, or sell securities. We are not liable for any losses that may occur to your account that were a direct result of our potential callouts. All Capital Whale entities such as the discord server, social media platforms, website, or any other of our communication services are also subject to this disclaimer. There are no members of Capital Whales registered as security broker-dealers or investment advisers. No information posted is intended as securities brokerage, investment, tax, accounting, or legal advice, as an offer or solicitation of an offer to buy or sell, or as an endorsement, recommendation or sponsorship of any company, security, or fund. Capital Whales can and will not assess, verify, or guarantee the accuracy of any information, profitability of any investment or trade, or the possible potential value of any investment or information source provided. Please take notice when trading stocks, options, and futures you can suffer a great loss to your account balance. If you do not agree to this disclaimer you will not be allowed access to our service.
